INFORMATION DOCUMENT SUPPLEMENT

CAPITAL INCREASE CHARGED TO RESERVES

ACS, ACTIVIDADES DE CONSTRUCCIÓN Y SERVICIOS, S.A.

17 January 2019

This Supplement to the Information Document dated January 9, 2019 was prepared pursuant to the provisions of Articles 26.1 e) and 41.1d) of Royal Decree 1310/2005.

1 Object

1.1 Background

The Annual General Meeting of Shareholders of ACS, Actividades de Construcción y Servicios, S.A. (“**ACS**” or the “**Company**”) held on 8 May 2018 resolved to increase the share capital of ACS charged to voluntary reserves in an amount to be determined according to the terms established in the agreement itself (the “**Capital Increase**”), as well as to simultaneously reduce the share capital of the Company by an amount maximum equal to the amount of the share capital that is actually issued as a consequence of the Capital Increase (the Capital Increase and this reduction are the “**Resolution**”), delegating the execution of the resolution to the Board of Directors (with express powers of substitution) (pursuant to article 297.1.a) of the Capital Companies Act, approved by Legislative Royal Decree 1/2010, of 2 July (the “**Capital Companies Act**”).

The Board of Directors of the Company, at its meeting held on 13 December 2018, among, and using the powers of delegation in the Resolution, proceed to the second execution of the capital increase, resolved to delegate indiscriminately to the Executive Commission, the Chairman of the Board of Directors and the Director and Secretary so that they may carry out any actions they deem appropriate or necessary for the execution of everything contained in the Resolution and they may sign any documents required or considered appropriate for the above-mentioned purposes.

By virtue thereof, on 9 January 2019, resolved to carry out the Second Execution, setting the maximum reference value of said Second Execution (Amount of the Executed Option) at 142 million euros.

1.2 Object

This document is a supplement to the Information Document regarding the Second Execution made public by ACS through a significant event on 9 January 2019.

The purpose of this supplement is to communicate the information regarding the Second Execution that was pending confirmation as of the date of publication of the Information Document and, particularly, the number maximum of shares to be issued as a result of the Second Execution, the number of rights needed to receive one share and the final price of the Purchase Commitment of rights prepared by ACS.

This supplement, together with the Information Document dated 9 January 2019, constitutes the document mentioned in Articles 26.1.e) and 41.1.d) of Royal Decree 1310/2005 of 4 November, and its publication renders the preparation and publication of an information sheet regarding the issuance and admission to the stock exchange of any shares issued during the Second Execution of the Capital Increase unnecessary.

The Information Document and this supplement are available on the ACS website (www.grupoacs.com) and on the CNMV, the Spanish National Securities Market Commission, website (www.cnmv.es).

Capitalised terms not defined in this supplement shall have the meaning established in said Information Document.

2 Pending information regarding the Second Execution

2.1 Number maximum of shares to be issued, number of rights needed and nominal maximum amount of the Second Execution

Pursuant to the formulas established in the Resolution regarding the Capital Increase, the following points have been established with relation to the Second Execution:

- (i) The number maximum of shares to be issued during the Second Execution is set at 4,140,323

The number of shares actually issued during the Second Execution may, however, be lower, as it will depend on the number of free allocation rights at the end of the trading period not held by ACS (which, in accordance with the resolution of the General Meeting and the Information Document, intends to waive all free allocation rights held at that time as a consequence of the Purchase Commitment assumed)¹.

- (ii) Therefore, the maximum nominal amount of the Second Execution of the Capital Increase is 2,070,161.50 euros. The nominal amount by which the share capital of ACS will actually be increased during the Second Execution will, however, depend on the number of shares actually issued.

- (iii) The number of free allocation rights needed to receive one new share is 76.

The shareholders of ACS who had acquired their shares until 21 January 2019 (date of publication of the announcement of the Second Execution in the Mercantile Registry Official Gazette, BORME) and whose transactions had been settled until 23 January 2019 in Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. (Iberclear), both inclusive, shall receive one free allocation right for each share of ACS owned. Therefore, said shareholders shall have the right to receive one new share for each 76 old shares owned as of the above date (19 January 2019).

In order to ensure that both the number of free allocation rights needed to receive one new share and the number maximum of shares to be issued are whole numbers, ACS has waived 46 free allocation rights corresponding to 46 of the shares it holds.

With regards to the above, it is stated that:

- (i) The “NTAcc” or number of shares outstanding of ACS as of the date of agreement on this document is 314,664,594; and
 - (ii) The “PreCot”, understood as the arithmetic (simple) mean of the weighted average prices of ACS shares on the Spanish Stock Exchanges during the 5 trading days held on 10, 11, 14, 15 and 16 January 2019, rounded according to the terms established by the Resolution and as evidenced by the certification issued by the *Sociedad Rectora de la Bolsa de Madrid*, the Madrid Stock Exchange governing body, is equal to 34.176 euros.

¹ In addition, should the number of shares outstanding of ACS – after having deducted the shares corresponding to the free allocation rights acquired by ACS by virtue of the Purchase Commitment (which ACS shall waive in accordance with the Resolution) - result in a fraction of a number, ACS shall also waive the number of free allocation rights owned necessary in order for the number of new shares to actually be issued during the Second Execution to be a whole number and not a fraction.

2.2 Price of the Purchase Commitment

The price of the Purchase Commitment of rights assumed by ACS is of 0.450 gross euros per right, calculated in accordance with the provisions of the Resolution.

Therefore, any shareholders who wish to receive their payment in cash may sell their free allocation rights to ACS at a fixed gross price of 0.450 euros.

Only free allocation rights received of ACS who had acquired their shares until 21 January 2019 (date of publication of the announcement of the Second Execution in the Mercantile Registry Official Gazette, BORME) and whose transactions had been settled until 23 January 2019 in Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. (Iberclear), both inclusive, ACS will not buy any rights that were acquired on the secondary market, which are not within the scope of the Purchase Commitment.

Madrid, 17 January 2019.

ACS, Actividades de Construcción y Servicios, S.A.
