

Forbes ranks ACS as the best Spanish company to work in the "World's Best Employers 2023"

Madrid, October 11, 2023

The ACS Group has been recognized as the first Spanish company in the "World's Best Employers 2023" ranking of the prestigious US publication Forbes. The list, drawn up on the basis of 170,000 employee surveys, includes the companies with the best working environment, with the most satisfied and proudest employees.

To identify which companies, offer interesting work and a positive environment, Forbes partnered with research firm Statista to create the seventh annual list of the world's best employers in which ACS Group is positioned among the world's top employers.

The responses to the surveys were codified in a scoring system and the 700 companies with the highest scores appear on the final list, which includes 43 countries and in which the ACS Group is highlighted as the best Spanish company to work for.
