Taxation

The Issuer is not bound to indemnify any holder of the NEU CP in the event that taxes are payable under French law, Spanish law (as described below) or any other foreign law on any sum paid in respect of, or the interest on the NEU CP, except for any stamp or registration taxes that could be payable by the Issuer under French law.

Taxation in the Kingdom of Spain

The following is a general description of certain Spanish tax considerations. The information provided below does not purport to be a complete summary of tax law and practice applicable in the Kingdom of Spain as at the date of this Information Memorandum and is subject to any changes in law and the interpretation and application thereof, which could be made with retroactive effect.

Introduction

This information has been prepared in accordance with the following Spanish tax legislation in force at the date of this Information Memorandum:

- (a) of general application, Additional Provision One of Law 10/2014 of 26 June ("**Law 10/2014**"), on organization,

supervision and solvency of credit institutions, as well as Royal Decree 1065/2007, of 27 July, approving the General Regulations of the tax inspection and management procedures and developing the common rules of the procedures to apply taxes, as amended by Royal Decree 1145/2011 of 29 July ("**Royal Decree 1065/2007**"); establishing information obligations in relation to preferential holdings and other debt instruments;

(b) for individuals with tax residency in Spain who are personal income tax ("**Personal Income Tax**") tax payers, Law 35/2006, of 28 November 2006 on Personal Income Tax and on the partial amendment of the Corporate Income Tax Law, Non Residents Income Tax Law and Wealth Tax Law as amended by Law 26/2014 of, 27 November and Royal Decree-law 9/2015, of 15 July (the "**Personal Income Tax Law**"), and Royal Decree 439/2007, of 30 March 2007 promulgating the Personal Income Tax Regulations as amended, along with Law 19/1991, of 6 June 1991 on Wealth Tax as amended and Law 29/1987, of 18 December 1987 on Inheritance and Gift Tax as amended;

(c) for legal entities resident for tax purposes in Spain which are corporate income tax ("**Corporate Income Tax**") taxpayers, Law 27/2014, of 27 November, of the Corporate Income Tax Law as amended and Royal Decree 634/2015, of 10 July promulgating the Corporate Income Tax Regulations (the "**Corporate Income Tax Regulations**"); and

(d) for individuals and legal entities who are not resident for tax purposes in Spain and are non-resident income tax ("**Non-Resident Income Tax**") taxpayers, Royal Legislative Decree 5/2004, of 5 March 2004 promulgating the Consolidated Text of the Non-Resident Income Tax Law as amended, and Royal Decree 1776/2004, of 30 July promulgating the Non-Resident Income Tax Regulations as amended, along with Law 19/1991, of 6 June 1991 on Wealth Tax and Law 29/1987, of 18 December 1987 on Inheritance and Gift Tax as amended.

Whatever the nature and residence of the holder of a beneficial interest in the NEU CP (each, a "**Beneficial Owner**"), the acquisition and transfer of the NEU CP will be exempt from indirect taxes in Spain, for example exempt from transfer tax and stamp duty, in accordance with the consolidated text of such tax promulgated by Royal Legislative Decree 1/1993, of 24 September 1993, and exempt from value added tax, in accordance with Law 37/1992, of 28 December 1992 regulating such tax.

INDIVIDUALS WITH TAX RESIDENCY IN SPAIN

Personal Income Tax (*Impuesto sobre la Renta de las Personas Físicas*)

Both interest periodically received and income deriving from the transfer, redemption or repayment of the NEU CP would constitute a return on investment obtained from the transfer of own capital to third parties in accordance with the provisions of Section 25.2 of the Personal Income Tax Law, and should be included in each investor's taxable savings and taxed at the tax rate applicable from time to time, currently at the rate of 19 per cent. for taxable income up to €6,000, 21 per cent. for taxable income between €6,000.01 and €50,000; 23% for taxable income between €50,000.01 and €200,000; and 26% for taxable income exceeding €200,000.

As a general rule, both types of income are subject to a withholding tax on account at the rate of 19 per cent. . However, if the NEU CP is registered with a clearing system outside of Spain, according to Section 44.5 of Royal Decree 1065/2007, of 27 July, the Issuer will make interest payments to individual holders who are resident for tax purposes in Spain without withholding **provided that** the relevant information about the NEU CP is submitted. In addition, income obtained upon transfer, redemption or repayment of the Notes may also be paid free of Spanish withholding tax in certain circumstances.

Notwithstanding the above, withholding tax at the applicable rate of 19 per cent. may have to be deducted by other entities (such as depositaries, institutions or financial entities) provided that such entities are resident for tax purposes in Spain or have a permanent establishment in Spanish territory.

In any event, individual holders may credit the withholding against their Personal Income Tax liability for the relevant fiscal year and may be refundable pursuant to Section 103 of the Personal Income Tax Law.

Wealth Tax (*Impuesto sobre el Patrimonio*)

Individuals with tax residency in Spain are subject to Wealth Tax to the extent that their net worth exceeds €700,000 (subject to any exceptions provided under relevant legislation in an autonomous region (*Comunidad Autónoma*)). Therefore, they should take into account the average trading value of the last quarter of the year regarding the NEU CP which they hold as at 31 December in each year, the applicable rates ranging between 0.2 per cent. and 3.5 per cent (subject to any different rate provided under relevant legislation in each Spanish autonomous region (*Comunidad Autónoma*)).

Inheritance and Gift Tax (*Impuesto sobre Sucesiones y Donaciones*)

Individuals with tax residency in Spain who acquire ownership or other rights over any NEU CP by inheritance, gift or legacy will be subject to inheritance and gift tax in accordance with the applicable Spanish regional or federal rules. As at the date of this Information Memorandum, the applicable tax rates currently range between 0 per cent. and 34 per cent. Relevant factors applied (such as previous net wealth or relationship among transferor and transferee) determine the final effective tax rate that range, as of the date of this Information Memorandum, between 0 per cent. and 81.6 per cent.

LEGAL ENTITIES WITH TAX RESIDENCY IN SPAIN

Corporate Income Tax (*Impuesto sobre Sociedades*)

Both interest periodically received and payments of income deriving from the transfer, redemption or repayment of the NEU CP constitute a return on investments for tax purposes obtained from the transfer to third parties of own capital and would have to be included in profit and taxable income of legal entities with tax residency in Spain for Corporate Income Tax purposes in accordance with the rules for Corporate Income Tax and subject to the general rate of 25 per cent. . Special rates apply in respect of certain types of entities.

In accordance with Section 44.5 of Royal Decree 1065/2007, of 27 July, there is no obligation to withhold on income payable to Spanish CIT taxpayers (which for the sake of clarity, include Spanish tax resident investment funds and Spanish tax resident pension funds). Consequently, the Issuer will not withhold on interest payments to Spanish CIT taxpayers **provided that** the relevant information about the NEU CP is submitted. However, in the case of the NEU CP held by Spanish resident entities and deposited with a Spanish resident entity acting as a depositary or custodian payments of interest under the NEU CP may be subject to withholding tax at the applicable rate of 19 per cent. if the NEU CP do not comply with the relevant exemption requirements specified in letter s) of article 61 of the CIT Regulations, as interpreted by the ruling nº 1500/2004 issued by the Spanish General Directorate for Taxes (*Dirección General de Tributos*) dated 27 July 2004, which requires that (i) the Notes are offered and sold outside of Spain, in other OECD jurisdiction, and (ii) the Notes are admitted to trading in an organised market of a OECD jurisdiction other than Spain.

Notwithstanding the above, amounts withheld, if any, may be credited by the relevant investors against their final CIT liability.

Wealth Tax (*Impuesto sobre el Patrimonio*)

Spanish resident legal entities are not subject to Wealth Tax.

Inheritance and Gift Tax (Impuesto sobre Sucesiones y Donaciones)

Legal entities tax resident in Spain which acquire ownership or other rights over the NEU CP by inheritance, gift or legacy are not subject to inheritance and gift tax and must include the value of the NEU CP in accordance with Spanish GAAP in their taxable income for Spanish Corporate Income Tax purposes.

INDIVIDUALS AND LEGAL ENTITIES WITH NO TAX RESIDENCY IN SPAIN

Non-Resident Income Tax (*Impuesto sobre la Renta de No Residentes*)

(1) Non-Spanish resident investors acting through a permanent establishment in Spain.

Ownership of the NEU CP by investors who are not resident for tax purposes in Spain will not in itself create the existence of a permanent establishment in Spain.

If the NEU CP form part of the assets of a permanent establishment in Spain of a person or legal entity who is not resident in Spain for tax purposes, the tax rules applicable to income deriving from such NEU CP are the same as those for Spanish Corporate Income Tax taxpayers.

(2) Non-Spanish resident investors not acting through a permanent establishment in Spain.

Both interest periodically received or payments of income deriving from the transfer, redemption or repayment of the NEU CP obtained by individuals or entities who have no tax residency in Spain, and which are Non-Resident Income Tax taxpayers with no permanent establishment in Spain, are exempt from such Non-Resident Income Tax on the same terms laid down for income from public debt.

Wealth Tax (Impuesto sobre el Patrimonio)

Individuals resident in a country with which Spain has entered into a double tax treaty in relation to the Wealth Tax would generally not be subject to such tax. Otherwise, non-Spanish resident individuals whose properties and rights located in Spain, or that can be exercised within the Spanish territory exceed €700,000 (under Spanish State level law) would be subject to Wealth Tax, the applicable rates ranging between 0.2 per cent. and 3.5 per cent. However, as the income derived from the Notes is exempted from NRIT, any non-resident individuals holding the Notes will be exempt from Spanish Wealth Tax in respect of such holding.

According to the Additional Provision Four of Law 19/1991, of 6 June, in Wealth Tax, individuals that are nor resident in Spain for tax purposes may apply the rules approved by the autonomous region where the assets and rights whit more value (i) are located, (ii) can be exercise or (iii) must be fulfilled.

Legal entities tax resident outside of Spain are not subject to Spanish Wealth Tax.

Inheritance and Gift Tax (Impuesto sobre Sucesiones y Donaciones)

Individuals not resident in Spain for tax purposes who acquire ownership or other rights over the NEU CP by inheritance, gift or legacy, will be subject to the Spanish Inheritance and Gift Tax in accordance with the applicable Spanish regional and state rules, unless they reside in a country for tax purposes with which Spain has entered into a double tax treaty in relation to Inheritance and Gift Tax. In such case, the provisions of the relevant double tax treaty will apply.

If the provisions of the foregoing paragraph do not apply, such individuals will be subject to inheritance and gift tax in accordance with Spanish legislation. As such, prospective investors should consult their tax advisers.

According to the Additional Provision Four of Law 19/1991, of 6 June, in Wealth Tax, individuals that are nor resident in Spain for tax purposes may apply the rules approved by the autonomous region where the assets and rights whit more value (i) are located, (ii) can be exercise or (iii) must be fulfilled. .

		<p>As such, prospective investors should consult their tax advisers.</p> <p>Non-Spanish resident legal entities which acquire ownership or other rights over the NEU CP by inheritance, gift or legacy are not subject to inheritance and gift tax. They will be subject to Non-Resident Income Tax. If the legal entity is resident in a country with which Spain has entered into a double tax treaty, the provisions of such treaty will apply. In general, double-tax treaties provide for the taxation of this type of income in the country of residence of the beneficiary.</p> <p>Information about the NEU CP in Connection with Payments</p> <p>The Issuer is currently required by Spanish law to report on certain information relating to the NEU CP. In accordance with Section 44 of Royal Decree 1065/2007, for that purpose certain information with respect to the NEU CP must be submitted to the Issuer at the time of each payment. Such information would be the following:</p> <p>(a) Identification of the NEU CP in respect of which the relevant payment is made;</p> <p>(b) Date on which the relevant payment is made;</p> <p>(c) the total amount of the relevant payment; and</p> <p>(d) the amount of the relevant payment paid to each entity that manages a clearing and settlement system for securities situated outside of Spain.</p> <p>In particular, the Issuing and Paying Agent must certify the information above about the NEU CP by means of a certificate the form of which is attached as Annex to the Issuing and Paying Agency Agreement.</p> <p>In light of the above, the Issuer and the Issuing and Paying Agent have arranged certain procedures to facilitate the collection of information concerning the NEU CP.</p> <p>If, despite these procedures, the relevant information is not received by the Issuer, the Issuer may be required to withhold at the applicable rate of 19 per cent. from any payment in respect of the relevant NEU CP as to which the required information has not been provided. If, before the tenth day of the month following the month in which interest is paid, the Paying Agent provides such information, the Issuer will reimburse the amounts withheld.</p> <p>In any case, if the Issuer has or will become obliged to pay additional amounts as a result of any change in, or amendment to, the laws or regulations of the Kingdom of Spain or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), which change or amendment becomes effective on or after the date of issue of the NEU CP; and such obligation cannot be avoided by the Issuer taking reasonable measures available to it, the NEU CP may be redeemed at the option of the Issuer in whole.</p>
