

Participation in sectorial associations

- The ACS Group through its different companies actively participates in sectorial associations, working groups and discussion forums.
- The objective of this participation is the promotion of the sectors in which the ACS Group participates as well as the improvement of the relationship with its stakeholders.
- The basic principles of action of the ACS Group in relation to its interest groups and the environment are based on compliance with existing national and international legislation, as well as with commitments to sustainability, which are made voluntarily by the ACS Group. In this sense, it should be noted that during the 2020/2021 year, the ACS Group has not made any financial or in-kind contributions to political parties
- The value of contributions made to trade, business and other associations is as follows:

	2020	2020 Rest. ⁽¹⁾	2021
